Introduction

Fathomless causeless mercy of our divine spiritual master has descended upon our heads to allow the printing of this small booklet glorifying our ever well-wisher, His Divine Grace A. C. Bhaktivedanta Swami Prabhupāda. He is an eternal resident of Vraja, and has so kindly expanded his golden heart to the fallen Western countries to deliver the suffering people from the fearful darkness of *Kali-yuga*'s so-called culture.

His Divine Grace has given us such a rare jewel of a transcendental gift -- the congregational chanting of Lord Krishna's divine name, fame, and pastimes as it was originally propagated 500 years ago by Śrī Caitanya Mahāprabhu. This *kīrtan* of Lord Caitanya indeed reflects how the Lord Himself relishes the sweet taste of Śrī Śrī Rādhā-Krishna's blissful eternal Vraja-*līlā*. Therefore the glorification of Vraja-*līlā* is the real gift of Śrī Gaurāṅga. By His own causeless mercy, He sent His own confidential servitor Śrīla Prabhupāda just to bless the fallen souls with the sweetest taste of pure Krishna-*kathā*. This is a mercy that extends so far as to grant the most fallen souls the actual opportunity to re-enter Vraja-*līlā* and thus go back home, back to Godhead.

For this reason, we humbly approach the lotus feet of His Divine Grace and, with folded hands, offer this booklet for his pleasure. We do so because we understand him to be the intimate associate and servitor of Śrīmatī Rādhārānī. And we know that Śrīla Prabhupāda is always completely absorbed in his devotional service within the *cintāmanī-dhāma*

of Śrī Vrindāvan. By his mercy alone, we were able to get a glimpse of Śrī Rādhā-Krishna from our previously covered-over position of total darkness. By his mercy alone, we were informed of our real home in the topmost spiritual realm of Goloka, where every word is a song, and every step a dance.

Thus every single atom of Krishna Conscious thought, feeling, willing and action experienced by the devotees around the world is the direct proof of His Divine Grace's ever-present living mercy. Without his coming to America and spreading his mercy-movement, we shudder to imagine what our degraded position might have been!

Therefore we submit ourselves at his lotus feet permanently, and try to please him by producing books about his kindness, his qualities, his golden heart and his abode. The perfection of this imperfectly composed publication will be attained if the noble readers consider their very breath to be the external symptom of Śrīla Prabhupāda's lotus feet radiantly present within their own golden hearts.

*ye yei amśa -- śune vā kohe -- sei bhagyavān
ācire milibe tāre rādhā-sevā dhana*

Anyone who hears or describes any part of this glorification of His Divine Grace A. C. Bhaktivedanta Swami Prabhupāda is extremely fortunate, and will very soon attain the riches of transcendental loving service to Śrīmatī Rādhārāṇī.

*adbhuta prabhupāda-guṇe yāhāra viśvāsa
sei jana jāya prabhupāder pada paśa*

Only a person who has firm faith in all these wonderful qualities of Śrīla Prabhupāda can actually go and approach the lotus feet of His Divine Grace.

*nā śuniyā e sadma, pāiyā manus-a-janma
tāra jīvana akāraṇa gelo -- nāṣṭa hoila*

Anyone who has attained a human birth, but does not hear of the glorious treasure of Śrīla Prabhupāda, has certainly lived a totally useless life, and eventually suffers complete ruination.

*śrīla prabhupāda-mahimā -- apāra, ananta
'sahasra-vadana' yānra nāhi pāya anta*

The glories of Śrīla Prabhupāda are truly unfathomable and unlimited. Even Lord Ananta Śesa, with His thousands of mouths, cannot reach the limits of His Divine Grace's majesty.

*ataeva prabhupāda-aprākṛta-carita ananta niścloy
tānre māne 'śata-aṣṭa-nāma-mātra' aparādha hoy*

Therefore, since the transcendental character and activities of Śrīla Prabhupāda are certainly unlimited, it would be an offense unto the lotus feet of His Divine Grace to try to limit the description of His glories to only 108 names.

*nirantara korite varṇan tānra yaśa-kīrti
tabe śuno mora minati ebe tomā prati*

Oh devotees! In order to allow the proclamations of the fame and glories of His Divine Grace to constantly increase, then please hear my humble request to you all:

*suvaṁśava-gane anurodhī anukṣana
anveśiyā gaho prabhupāder āra nāma*

I humbly request all the true Vaisnavas together to search out more and more names, just to continually glorify our Lord and Master, Śrīla Prabhupāda.

*yabe saba bhakta-gaṇa majibe aiche
jagat-gurudever sunitya-vilāse,
tabe e dīna dāsa nācibo ānande
mātiyā dharibo tomāder saba carane*

When all the assembled devotees are thus absorbed in the ecstatic eternal pastimes of the spiritual master of the entire universe, then this most fallen and sinful servant will dance in ecstasy; being thus madly overwhelmed, I will hold onto all of your feet.

*ataeva e' kāvya samāpta kabhu noy
tānra nāma -- asaṅkhyā -- nitya-kāle hoy*

Therefore this poem does not end here with only 108 names of Śrīla Prabhupāda. Since his names cannot be counted, we shall hereby re-name this prayer "Śrīla Prabhupāda Asaṅkhyā-nāma-stotram" ("The Praise of Śrīla Prabhupāda's Limitless Names"), which will go on expanding for all of eternity.

*prabhupāda-līlāmrta-sindhu -- apāra, agādha
ke korite pāre tāhān avagādha-sādha*

The ocean of Śrīla Prabhupāda's transcendental nectarean pastimes is immeasurable and unfathomable. Who will ever be able to bathe in that limitless ocean?
